Professional Summary

Enthusiastic computer science graduate candidate with a strong foundation in programming concepts and problem-solving. Eager to apply academic knowledge to real-world challenges and contribute to innovative projects. Quick learner with a passion for technology and a desire to grow professionally in a dynamic environment. Open to new opportunities to develop skills and gain practical experience in the tech industry.

Education

BSc. Computer Science

Sept 2021 – Sept 2025

University College Dublin

- GPA: 3.82 *First Class Honours*
- Final Year Project: Received an A grade for “*Development and Analysis of a Multimodal Data Acquisition System for Solar Forecasting*” A year-long [final year project](#) focused on sustainability in the solar energy field featuring a fully operational data acquisition device with NIR and RGB imaging as well as other environmental parameters, creation of lstm models to predict solar energy and an in depth parameter and model analysis.
- Academic Paper: A [paper](#) written based on the work done in the Final Year Project submitted for publishing in November 2025
- Exchange: Completed and exchange semester at the University of Connecticut (UConn) at the school of computer science chosen on academic merit
- Relevant modules: List relevant modules to the job im applying for

Work Experience

Software Engineering Intern and Summer Intern

Ericsson

Cornamaddy, Athlone

June 2023 - August 2023

+ March 2024 - Sept 2024

- Worked on network management tool. Developed software tools in python and bash to automate and improve log collection procedures and to find and auto update outdated python code
- Used Github to coordinate with the team
- Used Docker and Kubernetes to deploy and manage containers
- Performed research and presented to the team regarding cybersecurity risks

Certifications and Awards

- *Naughton Scholarship, 2021* - awarded for showing academic excellence in STEM subjects and extracurricular activities. Scholarship worth €22,000
- *Harvard Online School of Business, CORE Pass with Honours* - awarded for completing the credentials of readiness in Economics for Managers, Financial Accounting and Business Analytics
- *UCD Entrance Scholar, 2021* - awarded for academic merit in leaving cert
- Full ROI driving licence
- *Abbeylara GFC Player of the Year, 2023*

Projects and Interests

- [Project 1](#) 
- [Project 2](#) 
- *Mountaineering Club UCD, member, 2021-2024*
- *UCD Snowsports, member, 2021-2025*
- Play Gaelic football with Abbeylara GFC and Longford
- Guitar - play and taught in the local area
